

Our family lives in a small community in Hawaii. K-LOVE Radio station is vital to us here. It provides quality entertainment and serves as an encouragement to all who listen to it. If K-LOVE were to be replaced by a LPFM broadcaster with other programming it would be detrimental to our community. We deal with abuse and drugs here and K-LOVE gives me a place to send people for help. K-LOVE Radio has changed lives here in Hilo, HI and it would in the public's best interest to keep it that way. Please do not remove our only Christian Radio Station here. We listen to K-LOVE on 89.3. Thank you for your time and consideration.
